

AI424 CURRY Package Information Card – Version 2 – 9th May 2023

- CURRY's Instructions For Use (IFU) describe how CURRY can be used safely and correctly for its intended purpose.
- IFU are available in English (GB), German (DE), French (FR), Czech (CZ), Danish (DK), Spanish (ES), Finnish (FI), Greek (GR), Hungarian (HU), Italian (IT), Dutch (NL), Norwegian (NO), Polish (PL), Portuguese (PT), Russian (RU), Swedish (SE), and Turkish (TR).
- Further supporting information is provided by AI275 CURRY 9 Tutorials, AI276 CURRY 9 Installation, and AI257 CURRY 9 User Guide, available in English (GB) for professional users.
- IFU of the CURRY Software are supplied in electronic form rather than paper form.
- CURRY's electronic Instructions For Use (eIFU) are in PDF format and can be opened by freely available PDF viewers such as Adobe Acrobat Reader, or web browsers.
- eIFU can be accessed by opening the "Manuals" folder located within the provided CURRY USB Thumb Drive. Once in the folder, simply open the file named "CURRY 9 Instructions For Use.pdf".
- eIFU can also be directly accessed through the CURRY software's Help menu in the main window.
- eIFU (AI259 CURRY 9 Instructions For Use) can be downloaded online from:
compumedicsneuroscan.com/curry-9-pdf-documentation/
The password when prompted is: curry9pdfs
- An identical IFU may be requested in paper form. Delivery will be provided within 7 days. Please contact Compumedics Ltd. (below), your sales representative, or email quality@compumedics.com.au within 28 days of receipt to request printed IFU at no additional cost.
- Based on Compumedics risk assessment there is no foreseeable emergency situation that would necessitate additional safety information or printed IFU.
- For further assistance please contact Compumedics at:
